

Backpack Buddies Programs have been established all over the United States to help school age children in need of supplemental food on weekends during the school year. The goal is to help prepare these children to learn on Monday. Backpacks are filled with food items every week and discreetly delivered to these students on Thursdays or Fridays for the weekend. If you are interested in supporting this program to help provide food to DHS students in need, we are currently accepting monetary donations at Douglas High School. You can make checks payable to the Minden Rotary Club Foundation. These donations can be delivered to the DHS main office, attention Mike Rechs. 100% of all monetary donations go directly to purchasing food and are tax deductible (tax ID #75-3092088). . If you have questions, please call Douglas High School (775)782-5136.
